

PerfectHealth and BenefitStreet, Inc. Partner to provide the Ultimate Solution to Policyholders

NEW YORK, NY – (April 15, 2006) --- PerfectHealth Insurance Company (PerfectHealth), the first insurance company to offer Health Savings Account-compatible High Deductible Health Plans (HDHP) plans in New York has partnered with BenefitStreet, Inc.(BSI).

BenefitStreet, Inc. (BSI is a leader in providing unprecedented functionality in on-demand solutions for comprehensive financial services, retirement plans, recordkeeping and administration and group benefits management and administration.

The partnership between PerfectHealth and BenefitStreet, Inc. provides a superior, comprehensive Health Savings Account (HSA) solution that is a secure, tax efficient account with competitive interest rates, low fees and investment options.

Already the recognized leader in consumer driven healthcare since 1997, the partnership allows PerfectHealth to take a significant next step in providing the ultimate Health Savings Account solution to its policyholders.

“Our partnership with BenefitStreet continues the PerfectHealth mission to provide employers and employees with the tools and resources that they need to make the best possible healthcare choices for themselves and their dependents. Under this partnership, PerfectHealth will pay for the basic fees for the HSA for any PerfectHealth HDHP policyholder electing the BSI HSA” said Bill Thomas, Executive Vice President of PerfectHealth.

BenefitStreet, Inc. founder and CEO, Jim Drury said “The partnership of PerfectHealth and BenefitStreet, Inc. provides a complete end to end solution for Health Savings Accounts and addresses the industry gap for an integration between HDHP administrators, financial accounts and self directed investment opportunities. This partnership is bringing the most experienced high deductible health insurance carrier to our clients and partners in the Northeast specifically New York.”

ABOUT PERFECTHEALTH

PerfectHealth is a recognized leader in consumer driven healthcare since 1997. Based in Staten Island, NY, PerfectHealth’s mission is to make health insurance affordable. To accomplish this PerfectHealth transforms users of healthcare into healthcare consumers.

PerfectHealth believes this makes health benefit dollars more efficient and improves the health of their customers. For more information, please visit, www.perfectny.com.
